### **Public input meeting set for February 10 on redesigned flood protection in NE Minot**

Minot, N.D. - The Souris River Joint Board (SRJB) invites the public and media to attend an input meeting regarding flood protection within northeast Minot as part of the Mouse River Enhanced Flood Protection Project. The input meeting will be held at Roosevelt Elementary School (715 8th St. NE, Door #1), starting at 6:30 p.m. on Monday, February 10. The SRJB will join the City of Minot and representatives from the engineering firm designing the Phase MI-5 NE Tieback Levee project. A brief presentation on the redesigned phase will begin at 7 p.m.

**What: Public Input Meeting for Phase MI-5 NE Tieback Levee**

**When: Monday, February 10, 6:30 p.m. (formal presentation at 7 p.m.)**

**Where: Roosevelt Elementary School, 715 8th St, NE, enter through Door #1**
